## Nishi Somaiya

Asset Management  
London

Nishi is global co-head of Growth Equity in the Asset Management Division. She is a member of the Partnership Committee, Global Diversity Committee, EMEA Inclusion and Diversity Committee, Merchant Banking Division Growth Investment Committee, Specialty Lending Group Investment Committee and Sustainable Investing Group Investment Committee. Nishi also serves on the Board of Advisors for *Launch With GS*, Goldman Sachs' \$500 million commitment to invest in companies and investment managers with diverse leadership.

Nishi joined Goldman Sachs in 2001 as an analyst on the Leveraged Finance team in London. She moved to the Distressed Debt Trading desk in 2002 and was subsequently a founding member of the European Special Situations Group (ESSG) in 2003. Nishi ran the Private Capital business within ESSG focusing on middle market lending and growth equity from 2014 to 2019. She was

named managing director in 2011 and partner in 2016.

Nishi is a board governor for the Royal Ballet School, and also serves on the board of SEO London, a nonprofit that provides access, training and mentoring for talented young people from underrepresented and underserved communities.

Nishi earned a BA in Politics, Philosophy and Economics from the University of Oxford, Queen's College, in 2001. She is a CFA charterholder.
