

Systems engineering major.
Problem solver.
Dancer extraordinaire.

Let's chat about what you're into, and where you see yourself.

At Goldman Sachs, we believe who you are makes you better at what you do. For us, it's all about bringing together people who are curious, collaborative and have the drive to make things possible for our clients and communities.

Our Engineering teams build solutions to some of the most complex problems in the industry. From automated trading to managing data, risk analysis to safeguarding information and promoting environmental sustainability, our commitment to best-in-class technology provides Goldman Sachs with a competitive edge.

Are you at AfroTech 2019 in Oakland, California from November 7-10? We would love to meet you! Join us for breakfast on November 10 to learn more about the opportunities we offer.
