## **Jan Hatzius**

Global Investment Research  
*New York*

---

**J**an is the chief US economist and is responsible for setting the firm's US economic and interest rate outlook. He joined Goldman Sachs in 1997 as an associate economist in the Frankfurt office and moved to New York in 1999. He became a managing director in 2004.

Jan has published widely on monetary and fiscal policy, the Goldman Sachs Financial Conditions Index, the housing market, inflation, corporate profits, consumption, and capital spending. Jan is frequently quoted in the financial press, such as the *Economist*, the *Financial Times*, and the *Wall Street Journal*, and writes a regular column on the US economy for the German daily *Frankfurter Allgemeine Zeitung*.

Prior to joining the firm, Jan worked as a research fellow at the London School of Economics.

Jan earned a Doctor of Philosophy in Economics from Oxford University in 1995. He also holds degrees from the University of Wisconsin-Madison and the Kiel Institute of World Economics.
