## **Gregory A. Agran**

Securities

*New York*

---

**G**reg is global head of Commodities Trading. He is a member of the Securities Division Executive Committee, Securities Division Americas Operating Committee, Firmwide Risk Committee, Physical Commodity Review Committee, and the Clean Technology and Renewables Group Investment Committee.

Greg joined Goldman Sachs in 1991 as an analyst in Foreign Exchange in New York. He moved to Commodities in 1992 and worked in London from 1993 to 1998. From 1998 to 2000, he worked in the New York office before relocating again to London. In 2001, Greg returned to New York as head of Natural Gas and Power Trading within Commodities. He assumed his current role in 2012. Greg was named managing director in 1999 and partner in 2006.

Prior to joining the firm, Greg worked as an analyst at UBS.

Greg earned an undergraduate degree from Harvard University in 1990.
